

Save the date for your area meeting!

The Area Directors have planned their winter meetings early in hopes that more producers can plan to attend this year. Beginning in December and ending in January, the meetings will be open to all beef producers and feature great local food, valuable information on beef issues, policies, programs, and the latest information from the Indiana Beef Cattle Association, the Indiana Beef Council, the Indiana State Board of Animal Health, the National Cattlemen's Beef Association and Purdue University Extension.
